

COMMUNITY FOUNDATION

## Community Giving

### School Supply Drive August 1 - 25

Please help kids in our area by donating school supplies in the collection boxes at any Maps branch. Supplies will be donated to Operation Backpack for Salem-Keizer schools, a project of the Assistance League of Salem-Keizer, and to the schools near our Monmouth, Silverton, Woodburn, and Stayton branches.

#### **OPERATION BACKPACK:**

The mission of this program is “to provide school supplies to those students who come to school without the basic tools that are essential for academic success.”

Please help all children succeed by buying and donating supplies to help the students in our community.
