How to register on behalf of a Business, Trust, or Estate

How to register on behalf of a Business, Trust, or Estate If your business, trust, or estate doesn't have a digital banking profile, you must register as a new user.

Start your registration

1. Navigate to the Maps digital banking sign in page.
2. Select **New user? Register here!**
3. Select **Register on behalf of a business, trust, or estate.**
4. In the **Registration information** group, enter the responsible individual's **First name**, **Last name**, and **SSN**, and then enter the **Entity tax ID** and **Entity account number**. If you don't know who the responsible individual is, contact Maps.
5. Select **Next**.

Verify your identity

1. Select your verification method:
 - To receive a text message, select **Text message**, and then enter your phone number in **Phone number**.
 - To receive a phone call, select **Voice call**, and then enter your phone number in **Phone number**.
 - To receive an email, select **Email**, and then enter your email address in **Email**.
2. Select **Next**.
3. In **Verification code**, enter the code you received.
4. Select **Next**.

Create your credentials and complete setup

1. In **Username**, enter a username.
2. In **Password**, enter a password, and then enter it again in **Confirm password**.
3. Select **Register**.
4. Review the disclosures.
5. Select **Accept & continue**.
6. Review your contact details.
 - If you need to update any information, select **Edit contact information**.
7. Select **Ask me later**. Your account dashboard appears.
